

OCCUPATIONAL HEALTH AND SAFETY POLICY

We, as Poşetsan Ambalaj A.Ş., committed to continuously improving and renewing itself in production, keeping customer satisfaction at the highest level, aiming to remain a long-term leader and constantly increasing its market share, and to live a continuous improvement process to fulfill these goals.

Within this scope we, as Poşetsan Ambalaj A.Ş., confirm and announce that:

- To comply with the Occupational Health and Safety regulations in force,
- To regularly review the Occupational Health and Safety Management System and to carry out studies for continuous improvement,
- To ensure that subjects related to Occupational Health and Safety are documented, implemented, controlled and easily accessible,
- To raise awareness of our employees and customers and to meet their requests through trainings on Occupational Health and Safety,
- To take the necessary measures to avoid risks and to eliminate the dangers from the source by evaluating the risk situations during the activities,
- To reach zero work accident by taking the necessary precautions in order to prevent work accident situations,
